“Church Policy for Wedding Photographers”

Please give this sheet to your photographers/videographers.

The wedding is a religious worship service. We expect the photographers and videographers to treat the wedding service with respect and dignity. Please observe the following policies of our church.

1. Pictures may be taken of the bridal party during the processional and recessional.
2. The photographer may not come down the aisle past seated guests.
3. Pictures may be taken (without flash) from the rear of the church during the ceremony.
4. A video camera may be set up in the choir loft, side aisle, or the rear of the church.
5. There can be no movement from one location to another during the ceremony or use of artificial lighting.
6. Formal wedding pictures may be taken prior to or following the ceremony.
7. It is suggested that photographers/videographers arrive one hour before the wedding to meet with the Church’s Wedding Coordinator for placement of the equipment before guests arrive.
8. Pictures must be completed within one hour of the completion of the wedding ceremony.
